

## **YNU International Seminar on Climate Change and International Law**

Professor Park Deok-Young of Yonsei University Law School, an internationally renowned expert on international environmental law, is visiting Yokohama National University with his colleagues. We are happy to organize a mini seminar on the subject of climate change and international law with his team and our colleagues at YNU and UNU. Anyone who is interested in the subject is welcome to join the discussion. No pre-registration is necessary. For inquiries, please contact Professor Yoo (ex. 3626).
